Spouse (optional).....	\$ 3,110	
Children (optional, total for any number).....	\$ 1,988	
Out-of-program (e.g., leave of absence).....	\$ 2,632	

NOTES:

(1) Most full-time ELCA students and other students who take at least two courses per semester are eligible for a 20% tuition assistance grant (TAG) that is taken off the cost of tuition prior to granting other financial aid. This effectively reduces tuition for those who qualify to \$960 per course unit for these students.

(2) Seminary services fees are levied on **all** matriculated students, **whether or not** they are taking courses that semester.

(3) Fee applies to all students who bring cars onto campus because of campus residence or participation in courses. Fee accompanies registration of vehicles with Security. Registration grants the privilege to park on campus but does not guarantee a place to park.

(4) Fee applies only to students who have previously been placed in collection, satisfied their indebtedness, and reapplied for admission.

(5) Participation in the Health Plan is mandatory at all ELCA seminaries for all students on internship or enrolled more than half-time (for more than 2.5 units in any semester). A student who is covered under another **group** coverage plan (e.g., via spouse) may waive full coverage and pay a \$250 fee that helps ensure access to health insurance for all students. Paying the fee also ensures the student's ability to opt back into the plan should his/her group coverage terminate.

(6) Added to rent will be a 5% surcharge for utilities. Apartments are unfurnished but include refrigerator and range.

HOUSING

Studio with Board (Comprehensive Fee, not divisible)	\$ 7,540	
Apartment monthly rents (not including 5% utility surcharge)		(6)
One bedroom.....	\$ 620 avg perimeter; \$630 in Bagger	
Two bedrooms.....	\$ 780 avg perimeter; \$710 in Bagger	
Three bedrooms.....	\$ 810 avg perimeter; \$885 in Bagger
